Closing Announcements and Prizes

Register by Monday, September 11, 2017

at either ohiowea.org or nesowea.org. Click on the registration link for the featured event and enter your information to register.

This program has been submitted for **4.0 hours of continuing education credit** for certified operators in Ohio. To receive credit, attendees must be present during the entire session and complete a contact hour form.

Cost is \$30 for members or \$45 for non-members (includes a 1 year Section Only Membership). Credit Cards accepted online. Payable day of event by cash or by check to NESOWEA. No purchase orders will be accepted. Cancellations must be received 3 days prior to event to avoid being charged.

Questions regarding this event can be directed to:

Bill Zawiski
(330) 963-1200
William.Zawiski@epa.ohio.gov

This event is made possible by the Northeast Ohio Section volunteers of the Ohio Water Environment Association. OWEA is a member association of the Water Environment Federation. If you are not a member, we welcome you to join us!

Last week, the OWEA Executive Committee (EC) was contacted by OWEA and made aware of discrepancies in documentation on e-biz related to some training provided by OWEA. This issue dates back to the beginning of 2016 and includes both State and Section events. Operators accessing e-biz may not see some of the training sessions (either the event or attendance documentation) offered by OWEA or the Sections.

Please note that this is OWEA's top priority. *The OWEA EC is taking immediate steps to fully evaluate the impact and resolve this issue. We intend to cooperate with OEPA and have this fully resolved within one month to allow on-line renewals to occur well within the required schedule. We will provide at least weekly updates (each Monday) until the issue is resolved. We apologize for this inconvenience.*

Amy Davis is no longer employed at OWEA. The EC, along with Megan and Chelsea will continue business as usual on all other OWEA fronts. We have also enlisted additional resources on a temporary basis in the interim. Megan will serve as primary OWEA office contact as we search for a new Executive Administrator.

If you have additional questions or concerns, please feel free to reach out to me at jgellner@hazenandsawyer.com or OWEA Staff at 614-488-5800.

Jamie Gellner, OWEA President
