OEPA NORTH WEST DISTRICT OFFICE

BOWLING GREEN

The NW Section of OWEA will have its legendary operator education day on **FRIDAY, October 29, 2010 at the Northwest Ohio EPA Office in Bowling Green.** The review sessions are for wastewater and collection system operators or trainees planning to take the certification exams. Grizzled veterans of wastewater treatment will teach the sessions. There will be three separate sessions: one for the Class I exam, one for the Class II and III exam, and one for the Collection System exams.

The cost of the session is $20.00 so we can cover our printing costs.

Cash or check only; NO purchase orders! Make checks payable to NWOWEA.
ALSO: NO REFUNDS, AND NO STUDY GUIDES WILL BE MAILED OUT!!!!!

Please pre-register so we can provide materials, seating and refreshments. Bring pencils, notebook paper and calculators.

The review sessions will cover material you have learned in your OTCO classes and, time permitting, any additional materials you may wish to discuss. The instructors have volunteered their time for the day and will cover material that may be on the exam. Your best resource for information about the exams is your fellow operators who have taken the exams before and can give you information about current questions.

Check-in will begin at 8:15 AM with the review sessions starting **PROMPTLY** AT 9:00 AM. The sessions will be informal, with breaks taken as needed. Lunch will be on your own from 12:00 PM to 1:00 PM. The sessions will end at 3:00 PM and you should be on your way home by 3:15 PM.

Please return bottom portion with your registration fee by October 20, 2010.
