

PROFESSIONAL DEVELOPMENT

The primary mission of OWEA is to provide educational opportunities for our members, other professionals in the water reclamation field, and the general public. Many opportunities exist each year to continue professional development and maintain certification and licensing. Training events also provide a great way to network with your peers and learn what others in the state are doing to address current and ongoing challenges.

Annual Conference and Exhibition

- ◆ 12+ hours of Technical Sessions/Contact Hours & PDH's
- ◆ Exhibit Expo
- ◆ Regulatory Updates
- ◆ Awards Event
- ◆ Networking
- ◆ Annual Business Meeting

Specialty Workshops

OWEA hosts 4 to 5 specialty workshops per year, located centrally in the Columbus area.

- ◆ Government Affairs
- ◆ Watershed
- ◆ Collection Systems
- ◆ Plant Operations and Laboratory Analysts
- ◆ Biosolids

Section Meetings

Each of the four geographic Sections of OWEA provides further networking and educational opportunities.

- ◆ Facility Tours
- ◆ Industrial Wastes
- ◆ Operator Education Days
- ◆ Operations/Maintenance
- ◆ Laboratory
- ◆ and more . . .

Webinars

Join OWEA for free lunchtime webinars on such topics as Nutrient Removal and Wet Weather Issues.

Operations Challenge

Operations Challenge teams compete in the areas of laboratory skills, safety, operational problems, collection systems, and maintenance. Winners from each division can then compete in the national competition at WEFTEC, the annual Water Environment Federation Conference.

Our Mission

- ◆ Educate our members through sharing information and networking
- ◆ Educate the public on preserving and enhancing our water quality
- ◆ Be proactive on water environment issues
- ◆ Build a positive professional image within and outside the association

Preserving and Enhancing
Ohio's Water Environment

www.ohiowea.org

The Ohio Water Environment Association is a not-for-profit wastewater-related organization with nearly 2,000 members dedicated to the preservation and enhancement of our most precious resource . . . WATER.

Founded in 1926, OWEA has grown to meet the challenges of our ever-changing environment. OWEA is one of the early members of the Water Environment Federation (www.wef.org), an international federation of 75 affiliated member associations with 36,000 members worldwide. OWEA members are also members of the Water Environment Federation.

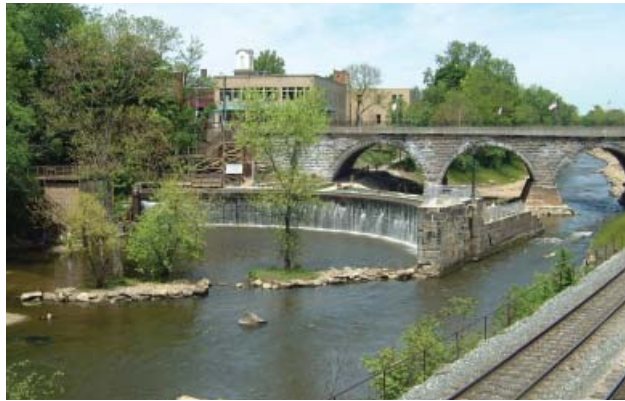

OWEA membership also includes membership in a regional Section. The NW, NE, SW, and SE Sections all operate as part of the OWEA not-for-profit 501(c)(3) association.

- ◆ Local Training
- ◆ Regional Topics
- ◆ Exam Prep Review Sessions
- ◆ Section Officers and Committees

Our Members

Because of the diversity and complexity of the wastewater industry, our membership includes the following professionals in the public, private, and industrial sectors:

- ◆ Scientists and Laboratory Specialists
- ◆ Engineers
- ◆ Treatment Plant Operators
- ◆ Utility Managers
- ◆ Collection System Personnel
- ◆ Manufacturer's Representatives
- ◆ Educators and Students
- ◆ Regulators

COMMITTEES

OWEA members are encouraged to serve on one or more committees, in areas of an individual's interest. OWEA has over 20 active standing committees. Listed below are some of our most active committees:

- | | |
|-----------------------|---------------------------|
| ◆ Collection Systems | ◆ Industrial Pretreatment |
| ◆ Laboratory Analysts | ◆ Membership |
| ◆ Plant Operations | ◆ Publications |
| ◆ Safety | ◆ Residuals |
| ◆ Government Affairs | ◆ Small Systems |
| ◆ Annual Conference | ◆ Utility Enhancement |
| ◆ Awards | ◆ Young Professionals |

Committees help focus our activities and interests. Members may join a committee at their local Section or become a part of a statewide committee.

You can view the full OWEA committee list at www.ohiowea.org.

PUBLICATIONS

Buckeye Bulletin

Published four times per year, this magazine provides OWEA members with information concerning meetings, government activities, equipment, current and new technology, committee updates, and OWEA business information.

Section Newsletters

These regional newsletters provide information about upcoming meetings, local issues, and Section-related announcements.

WEF Publications - Members are eligible to receive several publications prepared by WEF.

Continue Lifelong Learning

Choose your training and earn CEUs and PDHs through WEF's educational program, including: WEFTEC®, Specialty Conferences, hot topic seminars, workshops, and webcasts.

Build Productive Relationships

Within WEF and the Member Associations (MAs), our members work together to help each other develop and grow professionally, while building valuable relationships with industry partners and prospects.

Become a Leader

Gain leadership skills that can be applied to your career by volunteering your service to a WEF and MA committee.

Gain Recognition in the Field

Each year, WEF presents awards for outstanding contribution to the water environment profession.

Achieve Your Career Goals

Tap into the leading career network for the water community, WEF's Job Bank, where dozens of new jobs are posted each month.

Since 1928, the Water Environment Federation (WEF) has guided technological development in the water community. As a leading source of water quality information, WEF works to provide its members, public officials and the general public with the necessary tools to engage in or learn ways to improve quality of life through the sustainable management of water resources, water protection, and water and wastewater treatment.

WEF Member Associations

Included in WEF membership is membership to your local Member Association – champions for water quality on a regional level, providing convenient, affordable opportunities for training and networking with water professionals in your area.

Professional Membership

The foundation of WEF membership is the philosophy that every individual member, working in water quality, contributes to making our world a better place to live, and is considered a Professional Member.

Dues: \$88

- Student registration, at no charge, for WEFTEC®, WEF Specialty Conferences and WEF Webcasts.
- Access to the University Center - Online tools including Career Resources, listings of Student Chapters and local WEF Member Associations, and WEFTEC for Students

Memberships for Companies

Corporate

Dues: \$350
plus local Member Association
Corporate dues

Corporate membership is available to companies that support the water environment profession and wish to affiliate their organization with the leaders of the water quality field. WEF also welcomes any organization that supports the preservation and enhancement of the global water environment.

One corporate contact, from the Corporate member organization, is entitled to all base Professional member benefits as well as annual subscriptions to:

- *Water Environment Research (WER)* in print
- *Water Environment Regulation Watch*

Exhibitor

Dues based on annual sales, please contact a WEF specialist for specific information at 1-800-666-0206 or 1-571-830-1545, or csc@wef.org.

Exhibitor membership is designed for firms and organizations that are suppliers and service providers to the water environment field and who decide to partner with the water quality community to do business more effectively. Exhibitor Members are typically companies that exhibit at WEF specialty conferences and WEFTEC. Exhibitor membership includes: savings on booth space, electronic contact information for WEF members who are employed as Manufacturers' Representatives (upon written request), and 10% off of the company's first advertisement in WE&T. Exhibitor Membership dues are based upon the company's total gross annual revenue in the wastewater field.

One corporate contact, from the Exhibitor member organization, is entitled to all base Professional member benefits as well as annual subscriptions to:

- *World Water*
- *Water Environment Research (WER)* in print
- *Water Environment Regulation Watch*
- *Biosolids Technical Bulletin*
- *World Water Water Reuse and Desalination digital*
