Past President's Message

My last duty as NWOWEA President or first duty as Past President is organizing the annual Spouses and Friends Day. **WE ARE HEADING BACK TO THE BAY!**

The annual NWOWEA Spouses and Friends Day will be on August 6, 2010 at Put-In-Bay, Ohio. Transportation to the Bay is being provided by the Jet Express located on the Portage River in Port Clinton, Ohio. The departure times are at 8:45 am, 10:15 am, and 11:00 am. It is very important that we have everyone that will be attending be pre-registered and their names on the registration form. A list will be provided to the Jet Express ticket personnel. To receive your round trip boarding passes you will need to check in at the Jet Express ticket kiosk. If your name and the names of everyone in your party are not on the list, you will be responsible for purchasing your tickets and will not receive the group rate covered by the registration fee.

Registration, lunch, business meeting, and a technical presentation will be held at Mr. Ed's located across the park from the Jet Express dock. Mike Atherine P.E., Poggemeyer Design Group, will be giving the technical presentation. Contact hour credit for the presentation is being submitted.

I would like to take this opportunity to thank the executive committee and committee chair persons for all of their hard work the past year. I would also like to thank the personnel at the facilities for their hard work in hosting the meetings and all of the individuals that gave presentations. It has been a pleasure to work with such a tremendous group of professionals dedicated to protecting the water environment in northwest Ohio.

See you at Put-In-Bay!

Sincerely,

John Motycka
NWOWEA Past President
