

NORTHWEST SECTION

Past President's Message

My last official duty as NWOWEA President or first as Past President is to organize the Annual Spouses and Friends Day, so once again **WE ARE HEADING TO PUT-IN-BAY!!!**

The Annual NWOWEA Spouses and Friends Day will be held August 7, 2015 on historic South Bass Island, in beautiful Put-In-Bay, Ohio. Transportation to the Bay is being provided by the Jet Express located on the Portage River in Port Clinton, Ohio. The departure times are at 8:45 am, 10:15 am, and 11:00 am. Free parking is available at the Port Clinton Wastewater Treatment Plant, which is located due west of the Jet Express parking lot. Thank You Ernie Isaac! Please register online at www.ohiowea.org. Registration will close on August 2, 2015, but please register ASAP as we must provide Jet Express personnel a list of all those who are attending prior to the event. As usual, to receive your round trip boarding passes you will need to check in at the Jet Express ticket kiosk.

Registration, lunch, business meeting, and a technical presentation will be held atop Mr. Ed's Bar and Grille located across the park from the Jet Express dock. Mike Maringer, Manager of Municipal Development with quasar energy group will be giving the technical presentation titled "*The Innovation of Transforming Wastewater Treatment Plants into Water Resource Recovery Facilities*".

This event also marks the start of the leadership with the 2015-2016 Officers. The Section will be under the leadership of Roberta Acosta whose term officially started at the OWEA Annual Meeting in Kalahari. We wish Roberta and the rest of the executive committee great success and I'm confident they will do an excellent job for our section.

It has been my pleasure to serve you as the NWOWEA president and I look forward to staying involved with the section. My sincere thanks go out to everyone who was involved with the section this year. If you have any future thoughts or comments please feel free to contact me at anytime.

Sincerely,

Joe Tillison

NWOWEA Past President
