Dear Colleagues,

Join OWEA as we go back to Kalahari and the Lake Erie Shores region for the OWEA 2015 Technical Conference and Exhibition! Will it be the Same Old, Same Old? We invite you to decide for yourself . . . because like so many things in life, assumptions about the “Same Old, Same Old” vary from person to person. In fact, the entire conference is being framed with the mindset of questioning our own perceptions and judgements about the Same Old, Same Old. (In our conference logo, note the aptly placed question mark . . .)

Some traditions are extremely valuable and important. Some habits are worth keeping. Old friends are always enjoyable to see.

But: Some traditions can stand change. Some habits are destructive or, at the least, unproductive. Some strangers will bring welcome ideas and laughs to the table.

We invite you to revel in the past, assess the present, and vision forward to the future . . . all in the comfortable and recently expanded Kalahari Convention Center in Sandusky, Ohio. Our conference committee is working diligently to lay the groundwork for everything from intellectually stimulating tech sessions to emotionally fulfilling networking. Be our guests for several days of challenging the Same Old, Same Old.

Sincerely,

2015 Conference Committee Co-Chairs
Doug Borkosky, doug@hlbaker.com
Dave Sprague, spragoo@bright.net

Same Old, Same Old – VALUE

The 2015 Technical Conference and Exhibition promises to embrace at least one “same old, same old” time-honored tradition—Value. OWEA is offering value throughout this conference:

**Exhibitors:** We are utilizing the large Kilimanjaro Ballroom—maximum square footage! The Exhibit Hall is going to be spacious enough to welcome around 100 booths and the Ops Challenge Invitational. Also, except for the Sandusky WWTP Tour, there will be no other contact hour sessions other than Exhibit Booth tours and one track of exhibitor presentations (in an adjacent room). Exhibit booths also include a ticket to our (time honored and revered) Meet & Greet. Tuesday is your day for value.

**Operators:** Yes, it is about contact hours—up to 4 hours Tuesday, 6 hours Wednesday, and 3 hours Thursday. Attend the additional Northwest Section Utility Workshop on Monday (5 hours more), and you could earn up to 18 total contact hours! BUT, no, its not just about the same old, same old contact hours—the conference also offers you the opportunity to meet, converse, and share with operators from all over the state (and beyond). There is an immeasurable value in the learning from the operations experience gathered at the conference.

**Consulting Engineers:** Continuing education . . . Got it! Operators from all over . . . Got it! Access to 80 to 100 equipment and technology vendors in one place . . . Got it! Doesn’t that equate to good value?

Everyone concerned about the water environment (managers, regulators, NGO’s): this is Ohio’s premiere week of value for you . . . access to knowledge, experience, and cutting edge information—don’t miss it!

OWEA Needs Your Help

A successful conference relies on the contributions of time and effort from volunteers. Meet other water professionals, network, have fun - all while helping out. If interested, contact OWEA at info@ohiowea.org or 614.488.5800.

#### Did you know?

- You can earn up to 13 Contact Hours at the 2015 Technical Conference and Exhibition.
- Over 500 individuals have attended and/or participated in each of the past six Ohio Water Environment Association’s annual conferences held 2008 - 2013.
- The Exhibition floors have filled with exhibitor booths over the past six years, so reserve your booth soon!
- An army of OWEA volunteers provides the planning, coordinating, moderating, monitoring, ticket taking, sign wrangling, and many other tasks to provide this educational experience for Ohio’s water quality professionals.
**NWOWEA Utility Workshop - 4.5 Contact Hours for $25!!**

**Monday, June 22, 2015**

**Attn: Front line operators, engineers, and management/city officials from small to large utilities.**

**Be our guest!** The OWEA Northwest Section invites you to attend the pre-conference Utility Workshop.

This one-day technical workshop is open to ANYONE — conference registrants and one-day visitors. The cost of the workshop is being offset by NWOWEA as a member service and therefore the workshop, including lunch and continental breakfast is only $25 (about the same as a section meeting.)

**Special Offer:** Invite your manager to come with you for FREE! If an operator or superintendent registers for the workshop, they may register one manager, engineer, or governmental official (from the same city or village) to attend for free. (Pre-registration is required) Examples of qualifying individuals would be council member, mayor, service director, facility engineer, county engineer, city engineer, utilities director, board of public affairs member. It is our hope that the manager will benefit from the presentations offered and that it will give them additional insight into some issues facing Ohio’s water professionals.

**Register online at www.ohiowea.org**

(Note: You can register separately for this workshop if you are not attending the conference or you can add to most conference registration packages for $25. Non-members are also encouraged to attend at the same rate.)

## The First Ever OWEA Car Show ONLINE | Enter your car at [www.ohiowea.org](http://www.ohiowea.org)

Enter your car’s info and we’ll post on the OWEA website and Facebook page. Why? We’re building community and setting the mood for the 2015 OWEA Technical Conference and Exposition. We want to see cars from the 50’s through 2015 if they’ve got vintage character or muscle, or are super energy savers! Help make this spring something other than the [Same Old, Same Old](#) . . .

Visit [http://www.ohiowea.org/owea_car_show.php](http://www.ohiowea.org/owea_car_show.php) to see all the cars or submit your entry. A few of the entries are shown below. Need more info? Contact 2015 Conference Chairs Doug Borkosky, doug@hlbaker.com, or Dave Sprague, spragoo@bright.net.

Exhibit Learning Tours  |  Tuesday, June 23

Earn 1 Contact Hour per tour
Each tour will include four 15 minute sessions in the exhibit hall, educating attendees about new technology, systems, and BMP's in various aspects of water reclamation and treatment.

OWEA's exhibitors typically include representatives from collections, treatment, stormwater, instrumentation/SCADA, laboratory services, and consulting engineers. Exhibit tours are a great way to get updates on trends and innovations nationwide as exhibitors include both local and national companies. Sign up for exhibit tours the day of the Exhibits!

City of Sandusky WPCP  |  Tuesday, June 23, 1:00 - 3:00 p.m.

Sign up Online or at Registration Desk – Space Is Limited

Earn 1.0 Contact Hour!
Nestled on the shore of Sandusky Bay and a stone’s throw from Lake Erie, the City of Sandusky Water Pollution Control Plant is a classic WWTP in its use of primary settling, activated sludge, and anaerobic digestion. With an average daily flow of 15.7 MGD and peak flows of 42 MGD, the WPCP is the major treatment facility for the City and surrounding tourism sites. The WPCP was most recently upgraded in 2010.

Join the City of Sandusky WPCP staff for a tour of the plant and get a peek of the Bay on your way by!

No additional charge for the tour.
Available option for Full and Tuesday One Day registrations.

Kalahari Facility Tour  |  Tuesday, June 23 - Sign up at Registration Desk

Kalahari Resort Sandusky has an indoor water park that covers 173,000 SF and an outdoor waterpark covering 77,000 SF. Underneath the waterpark and the nearly 900 hotel rooms lies a service area that manages not only housekeeping and laundry but also water treatment and reuse.

Earn 1 Contact Hour for the tour - Times TBA
As part of the tour, attendees will see:
- Several banks of pressure filters
- Inline UV disinfection units
- Chlorine storage and dosing
- Chlorine monitoring equipment
- Boilers and heat exchangers
- Centrifugal blower room for wave generation

In addition, the tour will also explore other pollution prevention, energy saving, and green initiatives in the waterpark, laundry and kitchen areas of the resort.

OWEA Annual Business Meeting  |  Tuesday, June 23, 5:00 - 6:00 pm

Participate in the election of OWEA’s officers, hear OWEA’s financial report, catch up on organizational news, committee news, and learn about the activities of the NW, NE, SW, and SE Sections.

Awards Brunch  |  Tuesday, June 23, 10:30 am to 1:00 pm

Bring your appetite and your appreciation for the 2015 award winners to the Ohio Water Environment Association Awards Brunch. The brunch will be held on Tuesday, June 23 at 10:30 am in the Nile & Orange Rooms. After a bountiful brunch including Chef carved top sirloin, herb roasted chicken with sauce velouté, butter crumb baked Atlantic haddock polonaise, scrambled egg bar, Eggs Benedict, buttermilk pancakes, potatoes, sausage, bacon, mixed salads, fruit and yogurt bar, nut breads, desserts, orange juice, coffee, tea and milk, OWEA will recognize this year’s award winners.

The Awards Brunch will highlight the **same old, same old** excellence we witness year to year from Ohio’s water professionals. Presentations will include the OWEA state awards, the 5S nominees, the Crystal Crucible, and Golden Manhole award winners.

If you know someone who is a candidate for a future award, please give their name to your section award committee representative (available online at www.ohiowea.org).

Meet & Greet  |  Tuesday, June 23, 6:30 pm to 10:00 pm

**Rocking Through the Decades!**

Do you listen to the **same old, same old** music? From which decade does your same old music hail? Come to the 2015 OWEA Meet & Greet and network while also enjoying a selection of music from the 1950’s and decades hence. **Free Rider**, the popular and well-received band from the 2011 Meet & Greet, is back to take our hands and hearts and walk us through sixty years of the same old, same old favorites. (In case you remember 2011: the M&G will be inside—no thunderstorm is going to interrupt our fun this time!) No need to bring your own CDs, tapes, LPs or 8-tracks— the guys of **Free Rider** will be ready!

An **A delicious menu** of foods popular in each decade will be available. Although the menu will be diverse, everyone should be able to find a favorite that brings back memories. Rumor has it that the 70s may just include a chocolate fountain . . .

**Networking** is a business habit that benefits everyone - regardless of your stage in work and life. Take advantage of knowledge and wisdom of others to discuss the same old problems, while looking for new ideas, new technologies, and new opportunities. Same old friends and same old chance to make new connections!

The “**Rocking Through The Decades Meet & Greet**” begins Tuesday evening at 6:30 pm!

Reception and Annual Banquet  |  Wednesday, June 24, 6:00 to 9:30 pm

The evening will begin with a Reception at 6:00 p.m. Witness the ceremonious 5S Induction and the “roast worthy” introductions of this year’s inductees.

Beginning at 7:00, this year’s banquet program will honor those receiving WEF Awards, presented by Jenny Hartfelder, the 2015 WEF Board of Trustees’ representative. Next will be the passing of the Ohio Water Environment Association gavel from outgoing President Mike Frommer to the incoming President Elizabeth Wick.

Emcee and Co-Chair Doug Borkosky is always up to his **same old, same old** tricks so there are sure to be some entertaining surprises along the way.

Enjoy a delectable dinner prepared by the excellent Kalahari chefs and help celebrate the work of OWEA and its long tradition of dedicated and talented leaders.
**Kalahari Convention Center** | Tuesday, June 23 - Thursday, June 25

Join OWEA at the **Kalahari Convention Center** in Sandusky, Ohio for the **2015 Technical Conference and Exhibition**. The Kalahari Convention Center facility has over 215,000 SF of convention space. State-of-the-art audio/visual, spacious meeting rooms, superb culinary capabilities, over 890 rooms, and highly personalized services will ensure the OWEA event will be a success. OWEA will be taking over the Kilimanjaro Ballroom and nearby meeting rooms for the 2015 conference. With free parking, free wi-fi, nearby Sandusky attractions, and a relaxing venue, conference attendees will enjoy an educational experience!

- **Standard room rate $144 per night** for up to four persons *(Rates may vary for larger accommodations.)*
- One night deposit required to guarantee reservation.
- Rooms include a coffee maker, refrigerator, microwave, free Wi-Fi, voice mail, television, in-room safe, pay-per-view movies, and much more.
- Resort Fee has been waived for OWEA attendees and will not be charged. The standard wording on their website and confirmation letters though cannot be changed so it will talk about the Resort Fee but will not be charged to OWEA attendees.

**Family friendly!**
Attendees and their guests can also enjoy America’s largest indoor waterpark.

**LODGING & SPOUSE PROGRAM**

2015 Spouse/Guest Program  |  Tuesday, June 23 - Wednesday, June 24

**TUESDAY AFTERNOON** Immediately following the Awards Brunch, the registered spouses and guests are invited to a welcome reception. During this event, the participants will be greeted by representatives of Kalahari and the Lake Erie Shores & Islands welcome team. Hosts will share ideas about great side trips, attractions, and entertainment in Sandusky and the surrounding area. A Kalahari chef may even drop in and share with the group. It may be that the same old, same old friends show up - but this also may be a chance for some OWEA stalwarts to welcome newcomers as well . . .

**WEDNESDAY** Let’s face it - you’re going to be at a resort, in the heart of Lake Erie’s tourist attractions - you don’t need to ride around on a bus to the same old, same old shops. There’s a whole region to explore . . . or you can grab the same old, same old drink and lounge by the pool. It’s your choice, and the options are plentiful. Although there are no formal events planned for just the Spouses & Guests on Wednesday, we know you’ll enjoy the day and show up at the Banquet relaxed (and maybe a little more tan) . . . Once again, use the time on Tuesday to network and plan your Wednesday excursions.

**Program includes tickets to Awards Brunch, Meet & Greet, Annual Banquet, and special Spouse/Guest activities. Just $160 per guest if registered by May 31 ($210 June 1 or later)**

PROCESS CONTROL EVENT

Put on the thinking hat
This event consists of a written test meant to evaluate an operator’s knowledge of WWTP process control. The test consists of three main sections: short math, multiple choice, and process control scenarios. The point values for the questions in each section vary. The teams have to decide on how to divide up the sections among the four team members and chose which questions to answer. The test is designed to have enough questions that the teams will not complete the entire test within the 20 minute event. Teams will often consult the WEF MOP 11 manual and Ohio EPA “need to know criteria” for the operator certification exams, while preparing for this event.

Test Your Skills! Meet and Compete with Fellow Operations Challenge Teams

LABORATORY EVENT

It’s all going to alkalinity
Somebody once stressed, “It’s all going towards alkalinity.” This statement is absolutely true. Permit limits are getting more stringent and nutrients are a huge issue. It is essential that operators realize how alkalinity affects the ability of your plant to convert ammonia. During the lab event teams will analyze alkalinity and ammonia samples taken from various stages of the treatment process to determine if changes need to be made in operation to maintain compliance. Sample dilution, pipetting, and general laboratory techniques are essential to completing the event as swiftly as possible.
SAFETY EVENT

Man Down!!!
Words that no one wants to hear . . . a co-worker has become incapacitated while in a confined space. You need to get them out, and fast. But first things first . . . you must complete a confined space permit, test the atmosphere to be sure it’s safe for a rescue, and get your safety equipment ready. Assemble the gantry recovery crane, insert the fresh air blower, then pop the manhole cover and lower the rescuer. Place a harness on the unconscious co-worker and lift him out. Then retrieve the rescuer. The key is to be fast, but also be safe. Teams are judged on time to complete the event and on penalties assessed for safety violations. Remember it does not do any good to try to rescue someone and injure yourself in the process.

Great Way to Prepare for the 2015 National Competition in Chicago

COLLECTIONS EVENT - sponsored by Source One Environmental

The fastest two minutes in wastewater
How long do you think it would take you to cut through an 8” SDR-35 pipe with a hand saw? No battery powered Sawzall® here. 30 seconds . . . how about 45 seconds? Unless you can be around 20, don’t even try. The object of the Collections Event is to cut out a 1’ – 2’ section of broken sewer line from a six foot long pipe, replace it with another unbroken section using two Ferncos®, and install a new saddle connection on the fresh pipe. You have four team members: who cuts what, and when? Choreographed chaos is the best way to describe the event. Complete the whole thing in less than two minutes and you might just be fast enough to be the winners.

Don’t Miss It! . . . Not Competing? Be Sure to Watch the Competition

MAINTENANCE EVENT - sponsored by TnT Engineering, LLC

The power is out again
Weather in Ohio is always changing, wait an hour it will go from winter to summer. Imagine a summer thunderstorm. A lightning strike has knocked out the power and fried the control panel at a remote lift station. It is time to mobilize your trailer mounted engine and pump set. Before you can take the trailer out, you have to be sure it will work. Your team must perform maintenance on the trailer, engine, and pump. Check the tires, change the filters, vacuum test the pump – just a sample of the tasks to be completed. Wheel the trailer over to the model wet well, then attach the suction and discharge hoses, program the engine and pump control unit, and away it goes. Remember move quickly . . . the Mayor’s house is the first lateral up from the lift station!

EXHIBITOR CONTRACT - TERMS AND CONDITIONS

1. We hereby contract to participate in the Exhibition on Tuesday, June 23, 2015, at the Ohio Water Environment Association’s (OWEA) 2015 Technical Conference and Exhibition and agree to pay the selected registration package fee:

- Exhibit Booth Member $700
- Exhibit Booth Nonmember $850
- Extra Booth Attendant $50

for an 8’ deep x 10’ wide booth, with a draped and skirted table (6’ or 8’) and two chairs. The registration fee includes one full conference registration and admission to all conference activities for the primary booth registrant. Payment is due prior to booth assignment.

2. Additional personnel participating in the exhibit will be charged $50 (includes Exhibition admission and brunch, separate seating area available for exhibit staff) and must register as Additional Booth Attendants prior to the conference so name badges are available. Additional personnel interested in attending the social events and/or meals other than brunch on June 23, 2015 must purchase tickets in advance or at the registration desk. To preregister additional personnel for the full conference, register online at www.ohiowea.org or use an “Attendee Registration Form”, available at www.ohiowea.org or by emailing info@ohiowea.org.

3. Any Exhibit Learning Tour or Exhibitor Presentations must be approved for contact hours.

4. We agree to all the terms of the “Liability & Responsibility Clause”, which is part of this contract.

LIABILITY AND RESPONSIBILITY CLAUSE

1. In signing this Exhibitor’s Contract, the exhibitor agrees to assume the entire responsibility and liability for losses, damages, and claims arising out of loss or damage to the exhibitor’s displays, equipment, and all other property brought upon the premises of and shall indemnify and hold harmless the OWEA, the Kalahari Resort and Convention Center, the agents, servants, and employees of each organization for any and all such losses, damages, and claims.

2. The exhibitor also agrees that the OWEA, and/or the Kalahari Resort and Convention Center will not be responsible for any injury, loss or damage that may occur to the exhibitor, the exhibitor’s employees or property, or to any other person prior, during, and subsequent to the period covered by the Exhibitor Contract; provided said injury, loss or damage is not caused by the willful negligence or wrongful act of an employee of the the Kalahari Resort and Convention Center and agrees to expressly release the OWEA, the Kalahari Resort and Convention Center of such liabilities and to indemnify the OWEA, and/or the Kalahari Resort and Convention Center against any and all claims for such injury, loss or damage.

3. It is mutually agreed that it is the duty of each exhibitor to install exhibit in the assigned exhibit booth prior to 8:30 am on Tuesday, June 23, 2015 (set up times 6:00-9:00 pm on Monday, June 22 and 7:00-8:30 am on Tuesday, June 23); and to dismantle the exhibit no later than 6:00 pm June 23, 2015 (tear down time 5:00-6:00 pm on Tuesday, June 23).

4. By submitting and/or signing the Exhibitor Registration Form or by registering online for an exhibitor booth, I agree to above Terms and Conditions and Liability and Responsibility Clause.
