## Features and Rules for all Packages:

- Each package is individual to the person whose name it was purchased in. For example John Smith bought a package while working for ABC company, in March he leaves ABC company and goes to XYZ company. John could still take the webinars as an employee of XYZ company. The package stays with John regardless of who he works for or who paid for the webinar.
- There are no transfers or refunds.
- These packages are offered through 2/15/21.
- Purchase of a package doesn't guarantee the award of contact hours, all registrants must still register and follow all webinar guidelines.
- Ability to easily pay for education in bulk.
- Empowers employees to control their education.
