If you need your user name and password, contact OWEA

Register for OWEA and Section Events

This function is available to OWEA/WEF members

Section only members and nonmembers may register via the event link under Featured Events at <http://www.ohiowea.org/>

If you log in before you register, your event registration record is automatically linked to your member record (The OWEA office will administratively link your event registration record to your member record if you have not logged in prior to registering. We will also maintain coursework reports for nonmembers and section only members)

Click on Event Registration
