### VISION

A world where every person has access to reliable and safe water and sanitation services.

### MISSION

Water For People exists to promote the development of high-quality drinking water and sanitation services, accessible to all and sustained by strong communities, businesses, and governments.

### VALUES

Our values are based on demonstrating integrity in all we do.

**Accountability** – to communities, partners and each other

**Courage** – to innovate, to risk, to lead

**Empowerment** – of citizens, families and local institutions

**Partnership** – on the ground, in the sector and at all levels of government

**Transparency** – in what we do, what it costs and what is working
