

Rounding 3rd ... And headed to CINCINNATI !!

Call for Papers

83rd OWEA Annual Conference
Hyatt Downtown Cincinnati
June 22 – 25, 2009
DEADLINE: NOVEMBER 1, 2008

ASKING FOR: Operators, Maintenance Personnel, Utility Managers and Superintendents, Engineers, Regulators and Manufacturers to share their knowledge and experiences at the 83rd OWEA Annual Conference.

NEEDED: Technical presentations of 30 or 45 minutes in length, discussing successes, failures, and lessons learned. There will be two concurrent sessions on June 24 and single session room on June 25. In addition, we plan on offering contact hour credits in the exhibit area.

POSSIBLE TOPICS: Plant Operations and Maintenance; Safety; Utility Hiring and Human Resource issues; Industrial Pretreatment; Laboratory Procedures; Regulatory Initiatives; Watershed Programs; TMDLs; Wet Weather Treatment; Major Infrastructure construction successes; Public Communication; Operator Education; Alternative Energy Uses; and many more.

Please check the OWEA webpage (www.ohiowea.org) after 7/1/08 and complete the 2009 Conference Abstract Submittal form. Complete the form and forward to:
