

SEOWEA Young Professionals presents

# City of Columbus Com-Til Compost Facility Tour

April 10<sup>th</sup>, 2026 from 2:30 p.m. to 4:00 p.m.

7000 Jackson Pike  
Lockbourne, OH 43137

1.0 Contact Hour will be provided

This tour will provide a glimpse into how Columbus's Com-Til Compost Facility combines Class A biosolids from their WWTP, with woodchips, and residential yard waste to create STA Certified compost.
