

Training Opportunity, Facility Tours & Business Meeting

Thursday, May 18, 2023 🌧️ **City of Akron Water Reclamation Services**

We invite you to join us for tours inside Akron's famous tunnel (pending no major rain events!) and the Akron Water Reclamation Facility.

Due to logistics, this tour will begin at Canal Place parking lot where you will be transported by bus to the tunnel and plant. If weather permits, we will walk into the tunnel. Make sure you bring your walking shoes! The tour for both facilities will be worth two contact hours.

After a fun filled day of tours, meetings and education, we invite you to stay for the **FIRST EVER NESOWEA Social Event "NETWORKING AND BREWS"**. This will be held at R. Shea's and will be a great way to network and catch up with your peers. **You must register separately for this FREE event and the flyer is attached.**

Closing Announcements, Prizes and Remarks

Register by Thursday, May 11, 2023

at www.ohiowea.org for this seminar. Registration is limited to **150 people** and will close once capacity is reached. Online registration is highly recommended as walk-ins will not be accepted if/when capacity is reached.

Training Fee is \$45 for members or \$60

for non-members (includes a 1 year Section Only Membership). Credit Cards accepted online. Payable day of event by cash or by check to NESOWEA. No purchase orders will be accepted. **Cancellations must be received 3 days prior to event to avoid being charged. If attendee registers with a credit card and cancels at any time, a small administration fee will be applied.**

This program has been submitted for **4.25 hours of continuing education credit** for certified operators in Ohio. To receive credit, attendees must be present during the entire session and complete a contact hour form with Ohio EPA Core ID Number.
