

SWOWEA YOUNG PROFESSIONALS EVENT

MSD Environmental

September 12th, 3 PM

3800 Longman Road, Eaton, Ohio 45320

Join us for our event at MSD Environmental Services! We will begin with a tour of Lakengren Wastewater Treatment Plant Belt Press Room and a presentation of the LAW services, as well as the operational role of MSD's belt press in the dewatering process. This will be followed by a tour of the MSD Environmental Manufacturing Plant. Please wear casual close-toed shoes.

Contact hours will be offered.

Please reach out to Maria Blanchard at BlanchardMP1@bv.com with any questions.
