Join Ohio EPA for a webinar about tips and tools for using the eDMR and STREAMS services in the eBusiness center. In addition to covering the basics for using these services, we will cover who can report and submit applications, ways to simplify data entry, accessing and completing eDMR's, and where and when to report non-compliance. We will also briefly cover permitting structure and where to find additional resources and guides on Ohio EPA's website.

## eBusiness Center

Ohio EPA's eBusiness Center (eBiz) is a secure portal for online business services. eBiz is the entry point for our customers to electronically complete and file reports, make payments and submit permit and grant applications. See below for a complete list of services offered.

Do not use Microsoft Internet Explorer - eBiz is supported in Google Chrome and Microsoft Edge.

To access eBiz, you must have an account in OH|ID and click on the Ohio EPA eBusiness Center tile.

**IMPORTANT:** To access your eBiz account data, the email addresses in OH|ID and eBiz must match.
