Intro to New Construction and Demolition Debris Rules for Community Leaders

April 18, 2023 at 10:00 a.m. EST

Aaron Shear
Environmental Supervisor
Division of Materials and
Waste Management

Join Ohio EPA to learn more about the new rules for C&DD processing facilities which became effective in 2022. We will go over the background of these rules and explain what community partners and generators, like land banks, need to know about them.
