

SWOWEA YOUNG PROFESSIONALS EVENT

Rumpke Landfill Tour

July 24th, 11:15 AM

3800 Struble Road, Cincinnati OH 45251

The one-hour landfill tour provides a first-hand look at where garbage goes when it leaves our homes and businesses.

The tour includes a brief history of the company and explanations of landfill construction, environmental protection, methane gas removal, leachate collection, and surface water controls. The tour emphasizes the importance of conserving landfill space and natural resources by recycling.

Tour sizes are limited, register today!
