

SWOWEA YOUNG PROFESSIONALS EVENT

Hamilton Water Plant Presentation

February 29TH, 3 PM

1206 N 3rd St, Hamilton, OH 45011

Join us for a presentation at the Hamilton Water Plant! Tim McLelland will be presenting on the challenges and opportunities associated with a collaborative approach to Source Water Protection efforts by multiple public water systems and two private companies. Operators can learn about the many SWP challenges facing the Consortium and how they relate to their systems and solutions to those challenges on both a small scale and large scale. One (1) contact hour will be offered for this event.

Steel-toe shoes and PPE are not required.

If you plan to attend, please RSVP to the email invite. Please reach out to Adam Matthews (matthewsa@bv.com) or Julia Manzano (julia.manzano@arcadis.com) for any questions.
